

MENZER VC 760 EXPLODED ASSEMBLY DRAWING

MENZER VC 760 PARTS LIST

Nr.	Designation	Assembly
1	Kombischraube St5x35	506, 508, 510
2	Combination screw St5x18	506
3	Upper handle section	506
4	Lower handle section	506
5	Upper tank cover	508
6	On-/off-switch	6
7	Socket	509
8	Latch for tank cover left	507
9	Latch for tank cover right	507
10	Nozzle bracket	10
11	Lock nut M4	509
13	Cable hook	13
15	Combination screw St3.9x16	511
20	Dust filter valve cover	508
21	Combination screw St3.9x16	508
22	Filter element sealing ring	22
23	Filter holder	504
24	Seal for filter element	504
25	Filter grill	25
26	Combination screw St5x16	510
27	Lower tank cover	510
28	Combination screw St5x85	510
29	Combination screw St5x50	510
30	Motor housing side cover	500
31	Motor housing	500
32	Motor housing impact protection	500
33	Motor	500
34	Motor housing front cover	500
35	Motor housing cowl	500
36	Hose connection	511
37	Machine body	37

Nr.	Designation	Assembly
38	Fore-casters	38
39	Hose bracket	39
40	Rear wheel axle	503
41	Rubber tyre	503
42	Rear wheel rim	503
43	Wheel lock washer	503
44	Wheel cover	503
45	Countersunk head screw M4x12	509
46	Dust filter lateral	46
47	Dust filter motor	47
48	Connection cable with plug	512
49	Spring washer	512
50	Spring	502
51	Lifting handles	502
52	Combination screw St4x54	502
53	Circuit board	53
54	Fibre filter	504
55	Special screw for filling contact	510
57	Filter sponge	504
58	Air line element	501
59	Air line seal	501
60	Filter unit housing	501
61	Sealing ring lower filter cover	501
62	Lower filter cover	501
63	Spring for latch	501
64	Latch	501
65	Regulator	500
67	Screw M4x16	501
68	Filter housing sealing ring	501
69	Vacuum hose 2,5m	69
70	Hose connector	70

Please use the numbers in the parts list to find out the right assembly which contains the needed spare part.
